## 4.8 - Discipline Specific Guidelines & Resources

Other sections of the FEI Event Organisers Guide provide general information and guidance to help an Organiser establish, plan and and put on an Event:

- A [venue](#) that is fit for purpose
- A team ready and able to organise and run the event ([Organising Committee](#), [FEI Officials](#) & [Volunteers](#))
- An [FEI schedule](#) informing NFs/Athletes of the event and all competition and logistical information
- [Inviting NFs/Athletes](#) and managing [competition entries](#)
- Providing other facilities and services such as [Stabling](#), [Veterinary](#), [Medical](#) and [Media](#)

How the Event and Competition are managed can be very specific to each discipline. Here are some additional documents and guidance for Organisers of events incorporating these specific disciplines:

It has been created to give examples and templates of indispensable documents and information. The [Toolbox](#) is separated into 3 main sections :

3. [Competition documents](#)

Furthermore, a specific hub of information is available for Organisers of **FEI Driving World Cup** events. It can be accessed [here](#). The hub includes dedicated [Guidelines for Organisers](#) of such competitions.
