

Event Organisers Guide

4.8 - Discipline Specific Guidelines & Resources

Other sections of the FEI Event Organisers Guide provide general information and guidance to help an Organiser establish, plan and and put on an Event:

- A **venue** that is fit for purpose
- A team ready and able to organise and run the event (**Organising Committee**, **FEI Officials** & **Volunteers**)
- An **FEI schedule** informing NFs/Athletes of the event and all competition and logistical information
- **Inviting NFs/Athletes** and managing **competition entries**
- Providing other facilities and services such as **Stabling**, **Veterinary**, **Medical** and **Media**

How the Event and Competition are managed can be very specific to each discipline. Here are some additional documents to guide Organisers of events incorporating these specific disciplines:

Eventing - [FEI Eventing Memorandum \(Guidelines for Organisers\)](#)

Driving - [FEI Guidelines for Organisers & Officials](#)

Furthermore there are **Discipline Specific Organiser Sections on the FEI website** including dressage tests, reining patterns, results forms, report templates & other guidance. They can be found here:

- [Jumping](#)
- [Dressage](#)
- [Para Dressage](#)
- [Eventing](#)
- [Driving & Para Driving](#)
- [Endurance](#)
- [Vaulting](#)
- [Reining](#)

Any questions?

If you have any questions regarding organising FEI competitions or would like further advice not available through this guide please contact your **National Federation** or the relevant FEI department [here](#).
